

# NEO - ANGLE SHOWER ENCLOSURES

Looking for a traditional neo-angle enclosure? Choose one of the many options in the Neo Collection from DreamLine™. Neo Collection shower enclosures offer a choice of finish, size, frameless or semi-framed design, pivot or hinged door - in a choice of 5/16" or 3/8" glass. Looking for a truly frameless neo-angle enclosure - consider the look of the NeoLux with its wall mounted stationary glass brackets. Need to have some adjustability for installation of your enclosure - select the standard Neo model with full length adjustable aluminum wall profiles. Prefer the elegant pivot door mechanism and a more framed structure - Horizon shower enclosure is the answer. Choose DreamLine™ Neo-Angle shower enclosures for the centerpiece of your bathroom design.
