THE POWER OF STRENGTH

Easy Set Up with Fold Out Legs

Your PowerLine™ table is ready for use in minutes!

Natural BAMBOO Construction

The OAKWORKS® PowerLine™ table utilizes Natural Bamboo for its superior strength and durability under the most extreme conditions. Natural Bamboo has a tensile strength greater than steel and minimizes the number of adjustments typically needed over time on hardwood base tables.

DETAILS MAKE THE DIFFERENCE

Inset Shelf

The optional shelf is notched at the corners so it stays in place, while providing added support and stability to the table.

Gusseted Corners

Reinforced corners add durability and a professional look to your table.

Accessory Outlets

Located at both ends of the table providing versatility for accessories.

Wave Design

The wave design makes adjusting your backrest quick and easy.

Paper Roll Holder

FREE Paper Roll Holder is now standard on all PowerLine™ Tables! (Paper roll not included)

RECOMMENDED ACCESSORIES
