

# CHAPERONE™

Infant Car Seat

Rear-Facing | 4 - 30 lbs; up to 32 inches

**True Side Impact Protection®** distributes crash forces, shields from vehicle intrusion, contains the head and body, and keeps the head, neck and spine “in true” or aligned, to limit injury

**Anti-Rebound Bar** stabilizes child seat by minimizing rotational forces associated with front and rear collisions

**Quick-Adjust Head Restraint & No-Rethread Harness** easily adjust the harness shoulder height and head restraint without disassembling the harness

## Superior 360 Degree Protection Features

- **Tangle Free, Five-Point Harness** with seven harness heights and two buckle positions for a snug and secure fit
- **Energy-Absorbing Foam Liner** absorbs and distributes crash forces

## Superior Fit and Comfort Features

- **Extra-Large Canopy** blocks wind, rain and harmful UV rays from baby’s sensitive skin
- **High Density Comfort Foam** provides an extra layer of padding to gently cushion the child
- **Plush, Premium Cover Set** with matching belly pad provides extra comfort

## Superior Ease-of-Use Features

- **Stroller Compatible Design** works with Chaperone strollers and other major stroller brands\* when used with Britax adapter strap (included with seat)
- **Ergonomic Carry-Handle** designed to contour to forearm to allow for more comfortable carrying of child in carrier
- **Premium, Push-Button Lower LATCH Connectors** for a quick, simple, and tight installation
- **Built-in Lock-Off** secures the vehicle seat belt so that the child seat does not move more than one inch side-to-side or front-to-back at the belt path
- **Front Harness Adjuster** provides effortless front adjustment when loosening the harness system
- **Easy-to-Read Level Indicators** provide quick reference for proper angle of recline
- **Easy-to-Install Seat-to-Base Design** self-guides carrier into proper locked position
- **Easy-to-Install Base** with LATCH Connector Storage (Included)
- **Height Adjustment Knob** for proper seat angle and positioning
