sera KOI ROYAL®

sera KOI ROYAL® STAPLE DIET enhances the growth and wellness of all young and growing Koi. It is ideally suitable for feeding throughout the whole year as it is very easy to digest. The balanced share of natural minerals, trace elements and added vitamins enhances the natural resistance and the vitality of the Koi. The sera KOI foods are perfectly balanced to meet the nutritional requirements of your Koi. The two grain sizes MEDIUM and LARGE correspond to the different growth stages of the Koi: Medium sized Koi are fed MEDIUM granulates; we recommend LARGE grain size for large Koi.
