FURNITURE CARE AND CLEANING

Clean the **metal surface** of your Oceana furniture with mild soap and warm water. Rinse and dry with a dry towel to restore luster. (Use an old toothbrush to get dirt in difficult to reach places). Polish the **wood surface** of your Oceana furniture with wood furniture polish. Clean the **mirror or glass surface** of your Oceana furniture with warm water used with a soft cloth. If you use a commercial glass cleaner, choose one that does not contain ammonia or vinegar. Do not spray cleaner directly on the glass or mirror surface. Apply the cleaner to a soft cloth and use that to wipe the glass or mirror. Make sure no commercial product comes in contact with the mirror backing as it can cause damage to the mirror. Avoid products that contain abrasives or harsh chemicals that can scratch and discolor your furniture.

Wipe the entire surface completely dry with a clean, soft cloth.

If the surface of your Oceana glass lavatory becomes excessively dirty, you can use a general purpose such as: Fantastik®, Lysol®, Foaming Disinfectant, Dow Bathroom Cleaner Liquid, Scrub Free®, Soap Scum Remover, or Mr. Clean®.
